Casa Colibri welcomes you in Mediterranean style with palm and fruit trees in the north of Ibiza, a 10-minute walk away from Cala Benirras and its famous sunsets. **Hammocks to relax in and a pool** await you.

Casa Colibri is a typical finca with wooden ceilings, furnished and decorated with love in Ibiza boho style with an Arabic touch. It is surrounded by lots of nature and greenery - a place where you will feel right at home.

Expect an inspiring week on the topic of **femininity with workshops and some surprising activities**, a **powerful and a quiet daily yoga practice**, **impulses for the goddess within you**, **ceremonies and meditations** as well as enough time to discover the female Balearic Island and its treasures.

Nadine Speer
Body-Mind-Coach // Yoga teacher

Both in yoga and in coaching, we take with us the same values that you might ascribe to a trip to a new country: curiosity, inspiration, authenticity and a lot of joy in life.

"For me, yoga means the ability for change and mindfulness in each of us - the more we look within ourselves and know our bodies, the more we can face our lives in the here and now."

Nadine's first priority is to meet everyone openly and without prejudice and to meet them where they are in life. To support you in starting the journey towards yourself while keeping the joy of the moment.

Her motivation: She knows that everyone has great power within them, which is sometimes just waiting to be used in order to live the life that each one imagines.
